**ABOUT ACORN:** Acorn Montessori is a 501(c)(3) nonprofit school (Tax ID No. 22-2553331) with an educational philosophy based on the tenet that children learn best within an academic environment that supports their unique development. Because Acorn “follows the child”, a student’s progress through the curriculum depends on the student’s own development and not on an arbitrary benchmark.

Acorn teaches children to become self-motivating and self-initiated problem-solvers. Acorn recognizes the importance of teaching children to be self-confident leaders who can think for themselves. Acorn emphasizes the importance of caring for and having respect for all individuals.

Acorn students practice peaceful conflict resolution in the classrooms and learn the value of giving back by participating in community service projects throughout the school year.
