

Directions for Accessing the Acorn Community Website

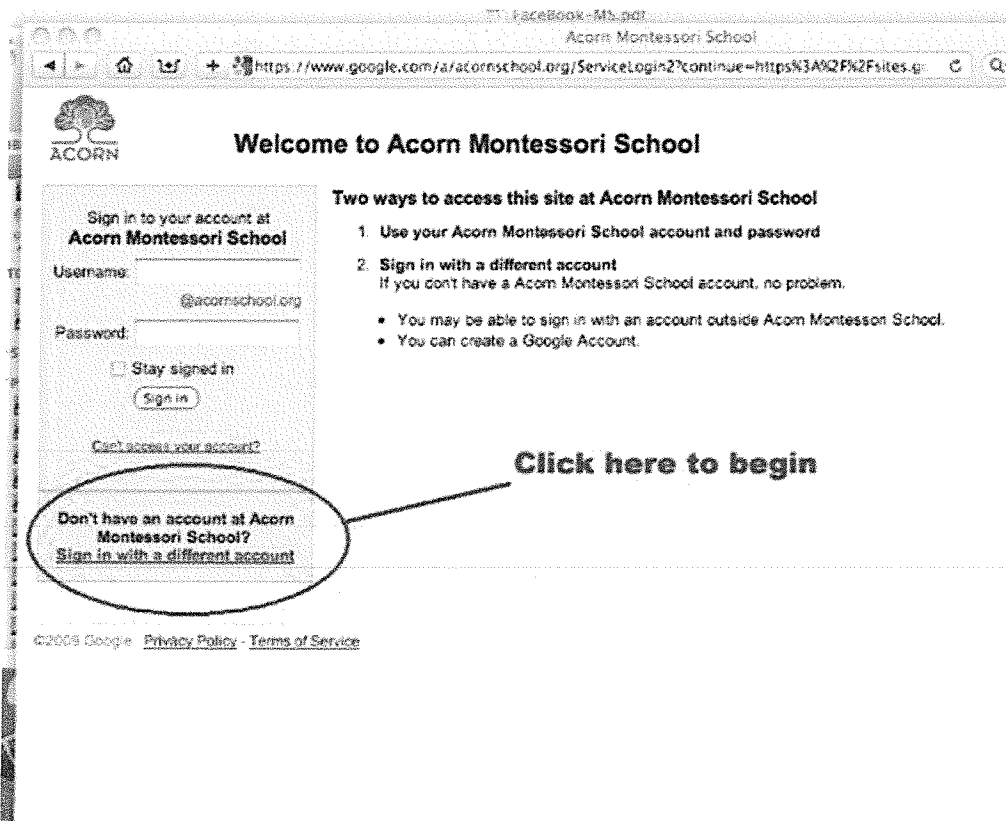

The Acorn Montessori School will be using a password protected website this year to provide information to the Acorn community. The community site will have calendar information, important documents, and will also be a way for teachers to share what is happening in the classroom. To get access to the Acorn Intranet please follow the directions below to create a new account.

Step 1: Create an Acorn Community Website Account

First you need to create your account to access the community site. This Google Account will be for the sole purpose of viewing the Acorn Community site. If you wish to sign up for other Google services such as gmail, or Google Calendar you have to do this separately.

If the email address you gave Acorn is a gmail account you can skip to Step 2: Logging into the Acorn Community Website. If not, please follow the directions below to setup an account. Please note, if you are using a non-gmail account, but you do have a gmail account, you can't be logged into gmail while accessing the community site.

1. To create the account go to <http://community.acornschoo.org>
2. You will be taken to the login page shown below. Click on the link "Sign in with a different account".

3. A field will pop up where you can enter your email address as shown below. Enter in your email address that you gave Acorn School and click "Go". Once you select 'Go' you will receive the error 'There is no account for this email address'. You should then click the link "[Sign up for a Google Account](#)".

The screenshot shows a web browser window with the URL <https://www.google.com/a/acornschool.org/ServiceLogin2?continue=https%3A%2F%2F>. The page title is "Acorn Montessori School". The main heading is "Welcome to Acorn Montessori School". Below the heading is a sign-in form with the following fields: "Username:" with a placeholder "@acornschool.org", "Password:", and a "Stay signed in" checkbox which is checked. A "Sign in" button is below the form. Below the form is a link "Can't access your account?". At the bottom of the form is a field "Enter your email address:" with the text "jqpublic@xyz.com" and a "Go" button. A callout bubble points to this field with the text "Enter your email address here."
